Note for Conductors

Hank Levy (born September 27th, 1927 and died September 18th 2001) was an American Jazz Composer and Saxophonist whose works often employed unusual time signatures. He is best known as a Big Band Composer for Stan Kenton and the Don Ellis Orchestra.

Decoupage was written for the Stan Kenton Orchestra and recorded on their album «Kenton '76» and has since become a favourite of American High School and College Big Bands.

The piece contains two written out Jazz Solos:

Trombone – bars 37 to 69

Cornet – bars 77 to 105

I have given no indication to articulation in these Solos – the Soloists should phrase as they feel comfortable in order to achieve the proper style. Alternatively these Solos may be replaced with improvised passages if the Soloist or Conductor desires.

The 1st E^b Bass is sometimes employed as the "Baritone Sax" voice of the Ensemble.

The remaining three Tuba players should try to replicate, as near as possible, to the style of the String Bass of the Big Band – with a light, bouncy tone.

The Drum Kit part is exactly as it appears in the Big Band set – showing rhythmic pulses and "kicks" to help the player achieve the necessary feel.

Sandy Smith
